

Advanced Dermatology

Providing the highest quality medical, cosmetic and surgical skin care

Dear Patient,

I'd like to welcome you to the Advanced Dermatology family, and appreciate choosing us to care for all your skin concerns. We have been a family run practice in Southwest Michigan for almost 20 years. We provide the highest quality medical and dermatologic surgery, laser surgery and Mohs micrographic surgery, with a full line of cosmetic injectable and resurfacing services.

I am the owner and also the Resident Director of the Lakeland Dermatology program. We have one resident that you are likely to meet at your visit here. We have four providers in our office: myself, John Killian MPAS, PA-C, Hilary Beyerlein, PA-C and Ryan Jones, DO PGY3 Resident. As our patient, you have the right to refuse being seen by a resident or mid-level provider.

Please take time to review the attached documents and fill out your forms before you arrive for your upcoming appointment. If you have any questions or concerns please feel free to call us. We look forward to meeting you and taking great care of your skin.

Sincerely,

Mark A. Kuriata, DO, FAOCD, FAAD
Owner, Advanced Dermatology
